Your stories of local hospital care and corrections facilities are needed to address problems and care “gaps”

NAMI Buffalo is requesting input from our members who have had experiences at western NY inpatient units regarding treatment and discharge of a mentally ill family member. We are especially interested in cases in the past 2 years where your experience included medical treatment needs for someone who is mentally ill, and how they were transitioned back to home.

We are also seeking your stories of experience with local corrections facilities, particularly with regard to “system” response (or lack of response) to needs for care, both psychiatric and medical.

Please send to: NAMI in Buffalo & Erie County
P.O. Box 146, Buffalo, NY 14223,
Attn: Medical Accountability Report
or - e-mail: namibuffalony@gmail.com
“Medical Accountability Report” in subject line
or - call the office if you prefer to share your story by phone: 716-226-6264 (NAMI)

We want to address some of the disparaging reports we are hearing. Facility name, dates and places are important, as well as personnel names (if available). Your information will not be given out if you tell us that you do not want your name to be mentioned.

We are hopeful that, by working together, we can improve our severely broken systems. It will take all of us to achieve some success.

Wishing you a warm Spring--

Marcy Rose
President
